

## *The Light of Christ! Thanks be to God!*

These words accompany the newly blessed Paschal Candle, year by year, as we follow it into Church; its light dispelling the darkness around us.

This year we are unable to all join together for The Easter Vigil. But Christ's light still shines brightly, in His People.

A candle is available for you at the Parish Church, to take home and use in your prayer as the Domestic Church. Candles can be found inside the side entrances of our Parish Church throughout Holy Week, the Octave of Easter, and beyond. Make sure to take one with you when you next stop in to visit and pray.

May the flame, divided but undimmed, shine ever brightly in your homes!
